IGF Support Association

Statement

Thank you, Chair. On behalf of the IGF Support Association, I thank you for the opportunity to speak.

IG Support Association has been supporting the IGF Secretariat and the NRI's of Global South for last 11 years. Strengthening the Multistakeholder model and Sustainability of NRIs is our key focus. In this regard, work closely with the IGF Secretariat. We aim to support the NRIs with their events like always.

I encourage community members to be a member of IGFSA and encourage organisations to join in.

We support renewal and strengthening the IGFs mandate. Work with us to help strengthen the IGF as a unique platform to exchange perspectives and concerns on key issues that may affect the future of the Internet.
